___ Magnolia Tree

For an added challenge and some extra family fun, can you find answers to all of the questions below?

- In Thille Park, there is a public art piece called ***Making Lemonade***. Look underneath the statue. Can you see a lemonade machine? What other things could this type of machine be used for? What shapes can you find in the statue?
- How many exercise machines can you find in the park? How many pullups can you do? Can you walk from one end of the balance beam to the other?
- Thille Park has several **Magnolia trees**. Can you find them? How many are there in total?
- Now that you know what our lemonade making machine looks like, can you draw your own at home?
- What two streets is Thille Park located on?
